## **Resurfacing on Illinois 31 from U.S. 14 to Orchard Lane**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that daily lane closures will take place on Illinois 31 between U.S. 14 and Orchard Lane, in Crystal Lake, beginning, weather permitting, Friday, July 14. The closures are necessary for a resurfacing project along Illinois 31.

In order to complete the work, daytime lane closures will take place on Illinois 31 in both directions with flaggers, when necessary. The closures will extend on Illinois 31 from north of U.S. 14 to Orchard Lane.

The project is expected to be completed in Fall 2017.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
